TUSCANY IS THE LIFE
AND SOUL OF SIGNORIA

*Heritage is at the forefront
of all that we do*

There have only been two Tuscan families at the helm of Signoria since its birth in the 1930's. In the 1980's Signoria embraced modernity and introduced Signoria to the international market while staying firmly rooted in its Tuscan, artisan origins.

*Signoria is continuously reminded
of its Florentine tradition*

Hand-crafted textiles of uncompromised quality, woven with the world's finest cotton, and dyed & finished employing world renowned and innovative Italian techniques in our family-owned facility.

CLASSICS

Signoria never compromises quality and uses only the highest quality materials available. Our collections are exclusively woven with only 100% Extra Long-Staple Cotton to ensure durability and softness. The quality of the cotton, combined with world renowned Italian finishing techniques, results in bedding of uncompromised quality, that is easy to care for and sure to last for generations. Signoria's Sateen 600 TC, Percale 400 TC and Percale 600 TC are certified SUPIMA® cotton. SUPIMA® cotton is 100% extra-long staple certified cotton; yarns made from Supima cotton produce softer and longer lasting fabrics.

Available in 36 colors, it is the Signoria's iconic white & colored sateen. The Raffaello collection is made with the finest cotton sateen completely dyed in Italy granting an exceptional durability. The fabric possesses the wonderful silky touch and look that highlights the depth and light of the color.

RAFFAELLO

Sateen 300 TC

The magnolia flower is the star of the show in our Utopia design. Printed on extra-long staple cotton sateen, the fullness of each petal is brought to life thanks to our traditional rotary screen-printing technique. Offered in Ivory and Mauve, Utopia is sure to bring a sense of refinement to any bedroom.

UTOPIA

Printed Sateen 300 TC

- 001 Ivory
- 002 Mauve

The peony is a showy, but elegant flower that has adorned the gardens of the most villas in Italy for centuries. Known for it's "thousand shades" of color within each bloom, Signoria captures it's beauty with our Regale collection. This elegant print, when combined with the exquisite softness of our extra-long staple cotton sateen, delivers the feeling of serenity to any bedroom.

REGALE

Printed Sateen 300 TC

- 001 Khaki
- 002 Wilton Blue

The Mallow flower has been renowned since the Middle Ages for its medicinal properties and today it has a symbolic meaning linked to maternal love, calmness and purity. The traditional printing method used by Signoria makes this flower appear alive, with many colour shades. The softness of the 300 tc cotton sateen fabric makes the refined design even more precious. Made in Italy.

MALVA

Printed Sateen 300 TC

001 Ivory/Blue
002 Thistle/Pink

Legend tells of a beautiful nymph who lived near a lake. Her life changed when the sun fell in love with her and came down from the sky to meet her. The nymph was transformed into an aquatic flower that opens at sunrise and closes as soon as he leaves. The flower with its beautiful shades seems to float elegantly on fine 300 TC cotton sateen. Made in Italy.

FIOR DI LOTO

Printed Sateen 300 TC

001 Ivory
002 Silver Sage

GERBERA

Printed Sateen 300 TC

- 001 Pearl/Pink
- 002 Khaki/Blue

The Gerbera is an immensely popular flower thanks to the bright colors of its petals that convey joy to the surrounding environment. The shape is the delicate one of the daisy but the larger size allows you to greatly appreciate the magnificent shades. Signoria prints on an exceptionally soft long staple cotton sateen, and thanks to the use of traditional rotary screen printing it is possible to capture the amazing three-dimensionality of the flower.

VOLTERRA

Printed Sateen 300 TC

- 001 Ivory
- 002 Khaki

The orchid is one of the most loved flowers for its delicacy and refinement. In nature there are many species, and Signoria proposes one of the most widespread in Italy, the Phalaenopsis Aphrodite. This flower resembles a butterfly, harmoniously and sinuously dancing on the precious and soft 300 TC cotton sateen fabric.

White roses are undoubtedly one of the most delicate and ethereal type of roses. Signoria enhances the beauty and brightness of its petals with the use of the darker background colors of Camelia and Silver Moon. The roses are arranged randomly on the fine cotton sateen fabric that results in a print of great elegance.

LEVANTO

Printed Sateen 300 TC

- 001 Camelia
- 002 Silver Moon

Clematis is a beautiful climbing flower that decorates the balconies and facades of the most elegant houses. In Italy, due to the fact that Clematis is a climbing plant that is closely associated with its indissoluble grip, it is known as the “love tie”. Signoria enhances the lightness of this flower by placing it on a beautiful long staple cotton sateen.

CLEMATIS

Printed Sateen 300 TC

- 001 Ivory/Pink
- 002 Pearl/Blue

FRANGIPANI

Printed Sateen 300 TC

- 001 White
- 002 Air Force Blue

The Frangipani flower is native to South America but then spread all over the world in the tropical belt. Its sweet and intense perfume has inspired many perfumers in history, among them the noble Muzio Frangipani from which the name of the flower originates. It is considered the tree of immortality and rebirth. Signoria interprets it in a gentle way, letting these wonderful flowers with fleshy petals flutter on a soft cotton sateen.

MONTALCINO

Printed Sateen 300 TC

- 001 Ivory
- 002 Silver Moon

In nature the Peony is present in a great variety of colors and its petals exhibit wonderful shades. Thanks to the printing done in the traditional method, Signoria is able to capture all of these nuances that are additionally highlighted by the silky cotton sateen upon which they are printed.

TEA

Printed Sateen 300 TC

001 Pearl/Red
002 Flax/Ivory

It is said that the first Tea Roses arrived on ships of the East India Company, mainly dedicated to the transport of tea. Since a small part of their load was made up of this new breed of roses, it is possible that the smell of tea, combined with their unusual scent, suggested the expression “Rose Scented Tea”, the roses with the scent of tea. This flower of extremely refined elegance is printed on a soft long-staple cotton sateen.

KIMONO

The magnificent designs of the Signoria collections are transformed into garments to wear. The Signoria Kimono can be made with your favorite design.

BACCARAT

Printed Sateen 300 TC

002 Ivory/Red

This Baccarat collection represents the theme of a fine rose, where every chromatic nuance is exalted up to its velvet petals. The print is made on sublime Signoria extra long-staple cotton sateen 300 t.c and is made with traditional printing that guarantees an outstanding durability of the colors.

TULIPANO

Printed Sateen 300 TC

001 Ivory/Red
002 Pearl/Lilac

The Tulip has always been one of the most loved flowers in the world for the simplicity of its shapes and for the innumerable and colorful blooms. The print is made on a very soft cotton sateen of the highest quality.

Refinement and elegance are the defining elements of this design: the sinuous movement of the Magnolia's branches and its marvelous flowers embellish the fabric, much in the same way Magnolias embellish the most beautiful Italian gardens. Once again, respect for nature's beauty is a winner. The design was realized with four colors ranging from more subtle tones to starker contrasts. The 300 TC sateen fabric with its brightness and softness further enhances the uniqueness of this collection.

SANREMO

Printed Sateen 300 TC

- 001 White
- 002 Ivory
- 003 Khaki
- 004 Wilton Blue

Rugiada is a collection inspired by the beautiful English wallpapers of the early 1900s. These motifs were also used in the furnishing fabrics used for upholstery and curtains during the same period. The drawing reminds us of a spring walk in the countryside surrounded by beautifully colored and fragrant flowers. Where the beauty of nature attracts us, and every detail of a flower becomes a surprising attraction.

RUGIADA

Printed Sateen 300 TC

- 001 Ivory
- 002 Lead Grey

ZAGARA

Printed Sateen 300 TC

- 001 White
- 002 Pearl

The blossom is the flower of citrus fruits, whose etymology goes back to the word glory. Besides the beauty of its shape, this flower has a fragrance that envelops you. In the line Zagara we find all these wonderful feelings.

PESCO

Printed Sateen 300 TC

- 001 White
- 002 Pearl

Is it possible to find something more beautiful than the awakening of nature? This line replicates the freshness and the energy of the wonderful Spring season. The peach flower means joy and it is linked to the concept of rebirth and prosperity. The cotton sateen on which is printed completes the beauty of this line.

LILIUM

Printed Sateen 300 TC

- 001 Ivory
- 002 Wilton Blue

The white lily is a symbol of purity and candor. Many legends related to mythology are told about this flower, such as the one in which Juno while nursing Hercules lost two drops of milk, and from these the lily plant was born. Printed on a fine cottonsateen it gives the room brightness and refinement..

GIORGINA

Printed Sateen 300 TC

- 001 Natural
- 002 Red

The Dahlia flower is enchanting for its colorful and nuanced petals. In the language of flowers it expresses gratitude as well as admiration and femininity. The Giorgina collection is made of soft and shiny long staple cotton sateen to exalt all the elegance of its flowers.

CICLAMINO

Printed Sateen 300 TC

- 001 White
- 002 Flax

The Cyclamen blooms in the coldest period of the year and with its beautiful and fragrant flowersit gives color to houses and gardens even on gray winter days. These resistant but at the same time delicate and elegant flowers are designed by Signoria with a graceful movement on a beautiful cotton sateen.

CAPRI

Printed Sateen 300 TC

- 001 Flax
- 003 Khaki

The pink Magnolia branch stands out against the colored background rendering a most elegant and unique design. The nuances of the pink on these flowers make them seem so real you want to touch their soft and elegant petals.

LIPARI

Printed Sateen 300 TC

- 001 White
- 002 Pearl

These flowers of “wild garlic” give the sensation of living in a corner of real nature. The small flowers makes this collection very delicate and sophisticated.

GIULIETTA

Printed Sateen 300 TC

- 001 Natural

The “Sweet Juliet” rose was born in England and owes its name to the tragedy of Romeo and Juliet, the most famous love story in the world. The Giulietta collection draws inspiration from this rose which releases energy and positivity thanks to the warm tones of its colors. Thanks to traditional printing techniques, the flowers are very realistic and seem to spread their famous fresh and intense fragrance.

VERONA

Printed Sateen 300 TC

- 001 Pink
- 002 Blue

The cherry blossom in Japanese culture is a symbol of prosperity (Sakura), and a symbol of rebirth as it happens in spring when nature awakens. Signoria interprets this design with a graceful and delicate movement that when placed on the bed gives the room freshness and a sense of lightness.

PANTELLERIA

Printed Sateen 300 TC

- 001 White/Fuchsia
- 002 White/Lilac

The Pantelleria collection is an homage to the iris flower, icon of our wonderful land of Chianti. The elegant print gives freshness and a unique style to the surrounding environment. The print is carried out on a bright cotton sateen 300 t.c

CAMELIA

Printed Sateen 300 TC

- 001 Ivory
- 002 Khaki

The beauty and explosiveness of the camelia’s flowers are represented with mastery in this cotton sateen collection crafted with traditional printing to exalt the brightness and the three-dimensional aspect of the design. The flowers seem real and the petals’ plumpness contrast with the graceful branches’ movements.

GRAFFITI

Printed Sateen 300 TC

001 Blue
002 Grey
003 Beige

This simple and contemporary design is enhanced by the beautiful sateen background. The inspiration for this drawing comes from the Spatialist movement led by Lucio Fontana who gave spatial dimensions to his famous canvases, by breaking, piercing, or cutting them. Signoria proposes this collection for those who like to dress the bed in an informal and casual way, looking for a particular feeling with the objects that surround them.

GOUACHE

Printed Sateen 300 TC

001 Taupe
002 Blue

The paintings of Mark Rothko are the inspiration for this collection: the painter is known for his brush strokes which fill up rectangles raising them to a metaphysical dimension.

JACQUARDS

Canazei 001 Beige

This beautiful design, created on a yarn-dyed Jacquard fabric, evokes the beauty of Baroque art that emphasizes opulence and luxury. The many shades of color in the design are skillfully engineered to remind one of the fabrics that adorn historic Italian villas and palaces. Their soft colors provide a refined elegance. Made in Italy.

CANAZEI

Canazei 002 Grey

Ostuni 001 Beige

Flowers, which have always been protagonists in Signoria designs, are presented in a contemporary style where the rose is drawn with delicate, almost, vanishing strokes. The lightness of this design with a simple texture adds richness to any environment in a sophisticated way. Transform your space into a sanctuary of refined elegance and visual appeal. 100% cotton yarn-dyed Jacquard. Made in Italy.

Ostuni 002 Grey

Barolo is the epitome of luxurious, minimal design for those who love the elegance of a yarn-dyed jacquard fabric. We have used a unique weaving method to create the effect of “texture and dimension” where the threads intersect. Available in three color options, Barolo coordinates beautifully with several existing Signoria collections.

BAROLO

Yarn-Dyed Jacquard 500 TC

- 001 Beige/Wilton Blue
- 002 Grey
- 003 Pink/Khaki

Pavia is quite simply characterized as “quiet elegance”. The refined lines and soft colors of this yarn-dyed jacquard are reminiscent of the fabrics which have dressed elegant palaces and villas throughout Italy for ages. Available in three colors, and considered both classic and contemporary, it easily coordinates with countless other collections. Pavia embodies the true essence of our Made in Italy Signoria brand.

PAVIA

Yarn-Dyed Jacquard 500 TC

- 001 Ivory
- 002 Beige
- 003 Light Blue

Painting with water-color was the inspiration behind our Noto collection. The sophisticated flower in this yarn-dyed jacquard is brought to life by intricate interweaving, shaded colors and the combination of threads with a subtle sheen alongside others with a matte finish. Available in two colors Beige/Wilton Blue and Grey.

LECCE

Yarn-Dyed Jacquard 500 TC

- 001 Beige/Blue
- 002 Grey/Beige

This beautiful design is inspired by the Japanese tradition of Ukiyo-e style woodcut or block printing (literally “floating world”). Ukiyo-e is a genre of artistic printing born in the 17th century, a period in which a new bourgeois social class was born in the main cities of Japan. Signoria enriches this design by making it on a 500 TC Yarn-Dyed Jacquard fabric in two color variants in soft but decisive tones.

PROCIDA

Yarn-Dyed Jacquard 500 TC

- 001 Grey
- 002 Green

The Procida collection is made with yarn-dyed jacquard fabric: the interweaving of coloured threads gives life to a design which is extremely elegant but simple in its beauty. The Bamboo plant is represented with a light stroke that expresses calm and serenity. Made in Italy.

The Sardegna collection, impeccably woven with fine yarn-dyed threads, takes inspiration from elegant wallpapers of Italian ancient villas.

It dresses the bed with grace and refinement and provides a pleasant and comfortable rest. This line is well suited to classic environments and in rooms furnished in a contemporary style. Made in Italy.

SARDEGNA

Yarn-Dyed Jacquard 500 TC

001 Brown/Grey
002 Silver Sage/Beige

The design of the Manarola collection reminds one of a palm which evokes beauty and harmony. Even more so in this stylized design, the leaves of the palm are similar to many solar rays that inspire the themes of victory and glory. Signoria offers this beautiful design on a fabric made on yarn-dyed Jacquard looms in the most ancient Italian tradition.

MANAROLA

Signoria wants to also offer its renowned floral motifs in a very precious yarn-dyed Jacquard fabric. Thanks to the skilful combination of yarns of different colors in the warp and weft, the Dahlia flower acquires a three-dimensionality, which has a beautiful effect on the color shades. The stylized design of the flower makes this fabric suitable for decorating both classic and contemporary settings.

VERNAZZA

Yarn-Dyed Jacquard 500 TC

001 Grey
002 Brown

The Bolgheri collection is an expression of the excellent craftsmanship that “Made in Italy” conveys to the world. The yarns of this yarn-dyed jacquard fabric intertwine perfectly, forming designs with very delicate tones that adapt to any type of furniture and give the environment a touch of timeless elegance.

ARGENTARIO BATH

The magnificent designs of the Signoria Jacquard collections meet extra long staple cotton terry.

Nature is the protagonist for the Argentario collection. The movement of the delicately intertwining leaves forms a very relaxing design. The subtle colors and the play between matte and glossy, typical of the fine jacquard fabrics by Signoria, make the Argentario line suitable for any bedroom furniture. Made in Italy.

ARGENTARIO

Yarn-Dyed Jacquard 500 TC

- 001 Beige/Wilton Blue
- 002 Grey
- 003 Pink/Khaki

The geometric motif of this yarn-dyed jacquard is a beautiful motif reminiscent of gentle waves that rest on the bed in a soft and elegant way. The sinuous design is the result of the play among yarns of different colors that is characteristic of our precious jacquard fabrics.

PONZA

Yarn-Dyed Jacquard 500 TC

001 Grey
002 Coffee

TAORMINA

Yarn-Dyed Jacquard 500 TC

001 Grey
002 Blue

This Middle Eastern inspired design recalls the motifs of the beautiful Moroccan ceramics. The refinement of these decorations, enhanced by the Jacquard weave, honors the artisan history of these masterpieces that have remained unchanged over the years.

TORCELLO

Yarn-Dyed Jacquard 500 TC

001 Beige
002 Pale Blue
003 Gold

The Torcello collection comes from the research for timeless aesthetics: the design seems to dissolve into the background, and the intersection of the colored weft with the warp makes the collection a masterpiece. The result is a luxurious silky fabric that decorates the environment with refined elegance.

ERICE

Yarn-Dyed Jacquard 500 TC

- 001 Beige
- 002 Grey

The sinuous and soft lines of the Erice collection form an extremely elegant and luxurious diamond pattern that furnishes the bedroom with a very refined taste. The different shades of color of this yarn dyed jacquard line add further richness to the design.

MAGIA

Yarn-Dyed Jacquard 500 TC

- 001 Caramel
- 002 Pacific

The inspiration of the Magia collection is the magic of fairy tales set in beautiful castles.

RIVIERA

Yarn-Dyed Jacquard 500 TC

- 001 Flax

The Calla flower, which means “purity”, is very elegant and its sinuous movement makes this pattern suitable for sophisticated environments.

SIRMIONE

Yarn-Dyed Jacquard 500 TC

- 001 Coffee
- 002 Wilton Blue

The movement of Sirmione’s design is inspired by elements of the Baroque style that decorated the rich residences of the noble families of the past. The motif is a great classic but lightened in a modern style to make it elegant for any environment. This fabric is made with high quality long staple cotton yarns.

APOLLO

Yarn-Dyed Jacquard 500 TC

- 001 Grey

The masterful spirals of this design, lend elegance and sophistication to the fabric. Thanks to the play of the yarns’ colors with the bright opaqueness typical of yarn-dyed jacquards, the spirals appear to dance on the silky fabric.

ORIENTE

Yarn-Dyed Jacquard 500 TC

- 001 Wilton Blue
- 002 Grey

The design of this Jacquard reminds one of an ancient fabric that has adorned a luxurious environment and still maintains all its charm with a shabby chic look.

BELVEDERE

Yarn-Dyed Jacquard 500 TC

001 Beige

The Belvedere collection is inspired by the San Leucio silk-making tradition in Caserta where the Belvedere Palazzo was located, near the renowned Reggia di Caserta. This is where the ancient mills were born and where artifacts in jacquard silk were created. These precious masterpieces are today safeguarded in the most prestigious places in the world.

TORINO

Yarn-Dyed Jacquard 500 TC

001 Flax
002 Wilton Blue
003 Red

Turin, an elegant and refined city, the first capital of Italy with its neo-classical and baroque buildings, is the theme behind this extremely elaborate design. The refinement of the pattern and the nuances of the colored textures contribute to create a décor that ennobles the whole room adding style, luxury and refinement.

VENEZIA

Yarn-Dyed Jacquard 500 TC

001 Beige
002 Grey

The Venezia collection is inspired by the decorative elements of the classical world mixed with more contemporary motifs. The design is delicate and sinuous: the friezes placed in the circular elements acquire character and the movement of the necklace gently unites all the elements of the design. The weave of different colors makes the motif even richer giving a three-dimensional effect to the fabric.

ARONA

Yarn-Dyed Jacquard 500 TC

001 Beige
002 Wilton Blue

Victory is the meaning of the Palm tree. Its hard yet delicate shape evokes ancient worlds but at the same time it is becoming a refined piece of furniture of modern days. The weaving of the branches on this yarn-dyed jacquard fabric is very precise and the interplay of the threads in the warp elegantly highlight the veins of the leaves.

FERRARA

Yarn-Dyed Jacquard 500 TC

001 Beige
002 Grey

The Ferrara collection is inspired by the frescoes that decorate the walls of the wonderful Italian Renaissance palaces. The timeless beauty of these works of art are revisited by Signoria to create a beautiful jacquard fabric. The floral motif of this design blends well with luxurious and classic settings. Yarn-dyed jacquard made in Italy.

RAVELLO

Yarn-Dyed Jacquard 500 TC

001 Ivory
002 Grey

This yarn-dyed jacquard 500 TC collection is inspired by the beautiful illustrations found on Amalfi Coast tiles. The softness of the movement and the detailed shades adorning this fabric create an elegance masterpiece.

ANSEDONIA

Yarn-Dyed Jacquard 500 TC

001 Beige
002 Grey

The contemporary design of the Ansedonia collection evokes the majestic dance of the sea waves and furnishes the room with its pattern reminiscent of a modern art painting. The Jacquard fabric is designed in two subtle variations on the colors of the earth that allow this collection to adapt to both classic and contemporary environments.

MATERA

Yarn-Dyed Jacquard 500 TC

001 Gold
002 Grey

This rich design brings our imagination to the celestial bodies- the sun and the stars that have always inspired poets and aartists. It's as if you are viewing the starry mantle through the crown of a tree.

ROSETO

Yarn-Dyed Jacquard 500 TC

- 001 Ivory
- 002 Flax

The Roseto collection reinterprets the classic rose motif with a contemporary style. The brightness and preciousness of the yarn-dyed jacquard 500 TC, entirely woven in Italy, embellish the product allowing this line to be a very elegant element of the décor.

BELLAGIO

Yarn-Dyed Jacquard 500 TC

- 001 Grey
- 002 Coffee

This classic ornamental motif brings us back to the glories of Middle Eastern architecture, to the times when the Middle East influenced European culture and subsequently the whole world. Signoria presents this motif in a modern interpretation and the result is a beautiful fabric where the sateen gloss frames a mélange effect of the textures.

The Renaissance villas and their frescoes inspired the design of this very precious yarn-dyed Jacquard fabric. The matte/glossy play of the fabric and the multiple color tones of the yarns make this design particularly elegant, giving a touch of refinement to the bedrooms.

ASTI

Yarn-Dyed Jacquard 500 TC

- 001 Beige
- 002 Grey

CAPRERA

Yarn-Dyed Jacquard 500 TC

001 White/Flax
003 Coffee/Lead Grey

Three-dimensional design inspired by quintessential Italian wallpaper. The two different colors in the weft give a three-dimensional effect to the fabric.

ACANTO

Yarn-Dyed Jacquard 500 TC

001 Grey

In the Acanto collection, the plant's leaves are woven with mastery together with flowers that soften its appearance.

MIKADO

Yarn-Dyed Jacquard 600 TC

001 Espresso/Midnight Blue (small stripes)
002 Black/Butter (big and small stripes)
003 Caramel/Plum (small stripes)

The geometry of Zen gardens is the inspiration for the Mikado collection by Signoria, characterized by the balance of the timeless elegance of a stripe and the sophistication of the high thread count sateen.

PIECE-DYED JACQUARD

Our piece-dyed jacquards are renowned for the way they bring life to the graceful motifs designed by our artisans. In each of the collections, our unique technique of interweaving yarns to create the elegant, yet subtle lustre-matte effect is why our sophisticated jacquards are sought the world over.
